SPIRITS FOR USE OF THE UNITED STATES INFORMATION

As requested, enclosed is ATF F 5150.33, Spirits for Use of the United States, for your use in applying for a permit to procure and use specially denatured and/or tax-free spirits. This application should be completed, in duplicate, following the instructions on the back of the form. Please return the application to the above letterhead address. **Please be sure to provide an Email address, when you submit your paperwork, for contact purposes. This will enable us to notify you when we receive your application and possibly process your paperwork more quickly.**

Please note that the application must include your agency's Employer Identification Number (EIN) and must be accompanied by evidence of signing authority for the person who signed the form. The authority may be granted by:

- Resolution;
- Excerpts from ordinances or charters; or a
- Statement from the head of the department, bureau or commissions designating the name or official title of the person or persons authorized to sign.

You may also apply for one permit to allow all sub-agencies under your control to procure and use specially denatured and/or tax-free spirits. Please see Instruction 2 on the reverse of ATF Form 5150.33.

If you have any questions, please contact our office toll free at 1-877-882-3277, or 513-684-7150, or you may write to letterhead address.
