Dear Chief, Regulations and Procedures Division:

I enjoy drinking flavored malt beverages like Smirnoff Ice and Smirnoff Ice Triple Black. I oppose the proposed regulation in TTB Notice No. 4 requiring a change in the way these drinks are made because:

-I like FMBs just the way they are.

-These changes will be expensive and I'll end up paying more.

The federal government shouldn't waste my tax dollars on trivial issues like changing the way my favorite drinks are made.

-Companies should make the changes the consumers want, not what the government demands.

Sincerely,

I'4ike Bishop
