RE: TTB Notice No. 4

Dear .Alcohol Tobacco Tax and Trade Bureau:

The proposed rule changes on flavored malt beverages are anti-business. Our business pays taxes, provides jobs and obeys federal regulations. Please do not inflict punishment on us with new regulations that would make it impossible for us to sell flavored malt beverages.

We need to bring the talents of the TTB and the flavored malt beverage industry together and workout a compromise that will not destroy the market for our beverages. I'm sure this is achievable.

The proposed rules change is a disaster in the making, but you can help avoid the disaster by opposing this change and encouraging support for a compromise that wouldnt destroy the flavored malt beverage market. Your interest in my letter is appreciated.

Sincerely,

Mike Younan
