Dear Chief, Regulations and Procedures Division:

I enjoy drinking flavored malt beverages like Smirnoff ice and Smimoff ice Triple Black. I oppose the proposed regulation in TTB Notice No. 4 requiring a change in the way these drinks are made because:

- I like PMBs Just the way they are.
- These changes wili be expensive and I'lll end up paying more.
- The federal government shouldn't waste my tax doilars on trivial issues like changing the way my favorite drinks are made.
- Companies should make the changes the consumers want, not what the government demands.
- The federal government should handle bigger problems like creating Jobs improving the economy and protecting us from terrorists.

Sincerely,

Andrea Knight
