Subject: Changing malt beverage regulations

Attn: Notice No. 4
Chief, Regulations and Procedures Division
Alcohol and Tobacco Tax and Trade Bureau
P.O. Box 50221
Washington, D.C. 20091-0221

Dear Chief, Regulations and Procedures Division:

I don't even enjoy drinking flavored malt beverages like Smirnoff Ice and Smirnoff Ice Triple Black. I prefer to drink other things, yet I oppose the proposed regulation in TTB Notice No. 4 requiring a change in the way these drinks are made. With all the threats to our national security, I would think that ATF agents have MUCH better things to do with their time and our tax dollars than fiddle around with laws that won't improve the quality of life in America. I pay a TON of money in taxes each year, and this is an incredible waste of taxpayer dollars in my view.

If you're that bored, or have nothing better to do, you shouldn't exist.

Thank you for listening.
