duce

Dear Sir:

As I have been informed, approximately 3 or 4 years ago the Alcohol and Tobacco Tax and Trade Bureau (then, I believe, the Bureau of Alcohol, Tax and Firearms) was petitioned to allow the addition of water to grape must in the production of wine. That proposed change to the regulations was approved and incorporated.

Would you kindly provide me with a copy of the original proposed Notice and comments, if possible.

Sincerely,

Paul H Biella
