Dash (-) indicates data that could possibly identify a particular taxpayer and cannot be disclosed.

TOTAL line includes barrel amounts for states that have redacted data. Total may not be reported if it would cause inadvertent disclosure.

NOTE: Changes in figures from prior reports could be due to amended reports being filed.

^dIn reports published prior to July 2024, this grouping was titled "Tax Determined, Premises Use" and was comprised of amounts reported in cell 15(b) of the Brewer's Report of Operations (TTB F 5130.9) and line 10 of the Quarterly Brewer's Report of Operations (TTB F 5130.26). This field still represents the same amounts, but has been renamed to reflect that removals reported in line 10 of the Quarterly Brewer's Report of Operations may be in cans or kegs, and on or off premises.

This data is not final and may need to be amended.
