

Lebanese Republic
Ministry of Agriculture

TO WHOM IT MAY CONCERN

The Department of Agro-Industry at the Ministry of Agriculture, Certifies that the following Wines:

Altitudes IXSIR Rose wine 2012

are produced and bottled in Lebanon by "*Wines of Lebanon SAL*" and are suitable for human consumption. They are commercialized in national territory and are exportable. They comply with the conditions governing production and entry into circulation applied in Lebanon as agreed by the Law (law 216, 29 May 2000).

This Certification was given upon the request of "*Wines of Lebanon SAL*", to be presented by "*Fine Terroir Selections*" to the authorities in the United States of America.

Beirut, 24/12/2012 RH
